The *IEEE Canadian Review* is published three times per year: mid March, end of June and mid October.

Its **principal objectives** are:

To inform Canadian members of IEEE on issues related to the impacts of technology, and its role in supporting economic development and societal benefits within Canada. To foster growth in the size and quality of Canada's pool of technology professionals to serve our increasingly knowledge-based economy.

Advertising Policy

Organizations are invited to place corporate advertising in the *IEEE Canadian Review*. For information regarding rates and copy requirements, please contact the Advertising Manager.

Circulation

The circulation of the *IEEE Canadian Review* is the entire membership of IEEE Canada, plus external subscribers.

Information for Authors

Authors are invited to contribute submissions in electronic form to the *IEEE Canadian Review*. Please contact one of the editors. Responsibility for the content rests upon the authors and not the IEEE, nor its members, nor the editors of the Publication.

Annual Subscription Price

Free of charge to all IEEE members in Canada.

For IEEE members outside Canada: \$20.00/year. Non-members: \$35.00/year. Corporations and libraries: \$37.50/year. Additional copies may be ordered at a cost of \$7.50 each from the Managing Editor.

Reprint Permission

Abstracting is permitted with credit to the source. Libraries are permitted to photocopy for private use of patrons. Instructors are permitted to photocopy isolated articles for non-commercial classroom use without fee. For other copying, reprint or republication, please write to the Managing Editor. The *IEEE Canadian Review* is printed in Canada, postage paid at Toronto, Ontario.
