

IEEE Canadian Foundation

FROM THE PRESIDENT—We want to thank you again, and recognize your support to the IEEE Canadian Foundation in 2015. Our generous donors pay forward to programs that benefit present and future electrical engineers and engage IEEE technical expertise to provide humanitarian benefit to society.

Your gifts allowed us to enhance the learning experience for electrical, electronics and computer engineering students across Canada with our programs of McNaughton Centres and Scholarships.

Students and other recipients also benefit through the co-funding of special projects that develop engineering enthusiasm and skills at all levels. Increasingly, these projects use technology for the benefit of humanity. “Success Stories” both on our website and in this magazine demonstrate the wide range of technical and professional and development opportunities that we support, all derived from the required Project Completion reports which are reviewed from all Special Grant recipients.

Our General Fund is crucial to our ability to operate each and every year, and your undirected donations allow us to keep our base strong.

Our Endowed Funds support a wide range of awards, prizes and scholarships. Please consider a directed donation to endow an IEEE Canada award or create a new award of your choosing.

Gifts may be designated to any one of the following funds of the IEEE Canadian Foundation.

- **General Fund** – supports IEEE McNaughton Learning Resource Centres across Canada, related Scholarships, and Special Grants
- **Canadian Life Members Fund** – supports activities of interest to Life Members, potential engineers, and engineering students
- **Technology for Humanity Fund** – supports new and innovative projects that seek to apply technology for the benefit of humanity.
- **Vancouver Section Scholarship Fund** – supports scholarships awarded by the IEEE Vancouver Section

- **The IEEE PES Canadian Scholarship Plus Fund** – supports scholarships in undergraduate electric power programs in Canada

- *** The IEEE Canadian Foundation Nick Cercone Graduate Scholarship in Computer Science Fund** – supports a scholarship in Computer Science, a field of studies of interest to IEEE

- **Kingston Section Scholarship Fund** – supports scholarships awarded by the IEEE Kingston Section

- *** Raymond D. Findlay Annual Undergraduate Scholarship** – supports a national scholarship recognizing leadership and professionalism

- **The IEEE Canadian Foundation Robert T.H. Alden Scholarship** – awarded to an IEEE student member within the Toronto Section.

We appreciate your past support and urge you to continue to do so and increase your contributions where possible. If you have not yet made a donation, please join your peers— this is your opportunity to stand with others who choose to make a difference. We could do so much more with your financial support. All the different ways to give and donor recognition programs are fully described on our website.

The IEEE Canadian Foundation wants to hear from you – if we can better engage and support our community, please let us know. (president@ieeecanadianfoundation.org, president@ieeefoundationcanadienne.org).

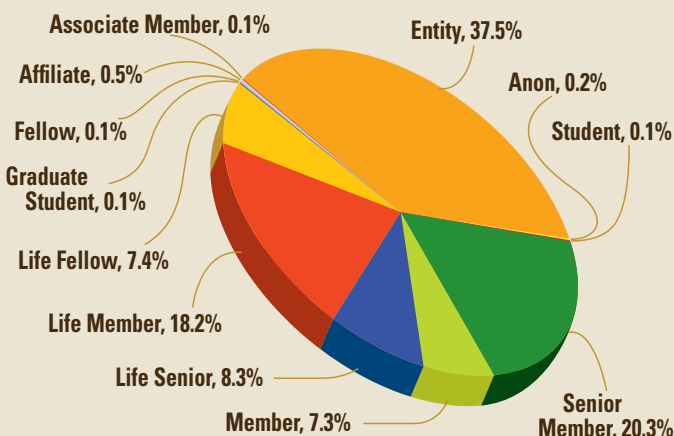

Many IEEE members in Canada contribute to the all-volunteer effort that is the IEEE Canadian Foundation, including the invaluable assistance of Luc Matteau, John Mowbray and many others in the preparation of this 2015 Honour Roll of Donors.

Yours sincerely,

David H. Whyte
President, IEEE Canadian Foundation
